MANAGEMENT DISCUSSION & ANALYSIS REPORT

Pursuant to SEBI (LODR) Regulations, 2015, your Directors have the pleasure in presenting the Management Discussion and Analysis Report for the year ended on March 31, 2025.

INDUSTRY OVERVIEW

Glass is one of the most useful materials in our daily life. Today glass is so commonly used that its presence often goes unnoticed. The Indian glass industry consists of seven segments namely, sheet and flat glass (NIC1-26101), glass fibre and glass wool(NIC-26102),hollow glassware (NIC-26103), laboratory glassware (NIC- 26104), table and kitchen glassware (NIC- 26105), glass bangles (NIC- 26106) and other glass wares(NIC – 26109). India is among the top15 markets for glass packaging globally and is 3rd fastest growing market after Turkey and Brazil. The global market for Indian glassware is fragmented and spread across several countries. Most of the glass demand in the country comes from container glass which accounts for 50% of the country's glass consumption by value. Apart from few big manufacturers, it is estimated that there are more than1000 manufacturers in MSME segment. There is no specific glass sector related policy in the country. The energy consumption by glass industries is quite significant for different group companies and a number of plants involved in the production of float glass and container glass would qualify to be 'Designated Consumers'(DCs).

The Indian glass industry has been growing across all segments. Sheet and float glass have recorded the fastest growth, at nearly 67 per cent CAGR (Compound Annual Growth Rate) between 2001 and 2005. Other glassware such as bottles and fibre glass has recorded more modest growth rates of about 5-6 per cent CAGR, over the same period.

COMPANY OVERVIEW

Agarwal Float Glass India Limited is engaged in the business of trading of glass and specialised glass products by procuring quality products from manufacturers and selling it either through our sales managers or directly to our customers. Our valued customers are spread across the country and work across varied industry segments such as, office buildings, hotels, institutions, banks, insurance companies, shopping malls, diplomatic residences, etc. Our products cater to a range of end use industries including construction, automotive, and industrial sectors, with a variety of applications such as exterior and interior spaces of residential and commercial buildings. Our product portfolio largely consists clear glass, different kinds of value-added glass products and processed glass products, of varying thickness. We also trade a range of value added glass products including clear frosted glass, clear sheet glass, mirror, tinted glass, reflective glass which have a wide range of applications. We also offer processed glass, which includes, toughened glass, frosted glass, frosted design glass, leaguered glass, figure glass, heat-strengthened glass, insulated glass, PVB laminated glass, and bullet-resistant glass and all building glasses among others.

Besides this, the Company is also planning to expand its offset capacity by venturing into manufacturing of glass processing units and adding a new plant and machinery. With these capacity additions your company is well prepared to manage the high demand for sustainable packaging solutions that is expected to grow going forward. While continuing to enhance the Company's capabilities to achieve growth, your Company is focusing on strengthening its facilities and making the best use of them.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, and its profit/loss, and its cash flows for the period ended 31st March 2025.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters and there is no any Key Audit Matters which need to be reported.

Information Other than the financial statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

AGARWAL FLOAT GLASS INDIA LIMITED

Formerly known as Agarwal Float Glass India Private Limited)

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements

or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has not any pending litigation which should require to disclose on its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - (a) The management has represented that, to the best of its knowledge and belief, as disclosed in to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner

AGARWAL FLOAT GLASS INDIA LIMITED

- whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or
 - Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- (b) The management has represented, that, to the best of its knowledge and belief, as disclosed in the accounts, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:
- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or
 - Provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.
- (c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d) (i) and (d) (ii) does not contain any material misstatement.
- v. There has been no dividend declared or paid during the year by the Company hence clause is not applicable to company.
- vi. Based on our examination which included test checks, the accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of upgraded version of the accounting software.
- The audit trail has been preserved by the company from the date of its enabling, in accordance with the applicable statutory requirements for record retention.
- The Company has not migrated to an upgraded version of the accounting software from current accounting software during the year. The Current accounting software does not have the feature of recording audit trail (edit log) facility and accordingly we are unable to comment on tampering of audit trail.
- (h) With respect to the matter to be included in the Auditor’s Report under Section 197(16) of the Act:
In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

AGARWAL FLOAT GLASS INDIA LIMITED

Formerly known as Agarwal Float Glass India Private Limited)

“Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of Agarwal Float Glass India Limited (Formerly known as Agarwal Float Glass India Private Limited)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Agarwal Float Glass India Limited (Formerly known as Agarwal Float Glass India Private Limited) (“the Company”)** as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the period ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

AGARWAL FLOAT GLASS INDIA LIMITED

Formerly known as Agarwal Float Glass India Private Limited)

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

AGARWAL FLOAT GLASS INDIA LIMITED

Formerly known as Agarwal Float Glass India Private Limited)

Notes to Financial Statements for the year ended March 31, 2025

NOTE 1: Accounting Policies

Corporate Information

M/s Agarwal Float Glass India Limited (formerly known as Agarwal Float Glass India Private Limited) is engaged in the trading of glass products and related activities. The company was incorporated under the Companies Act, 2013, by Shri Uma Shankar Agarwal and Shri Mahesh Kumar Agarwal. Its registered office is located at H-1/790, Sitapura Industrial Area Ext., Near Fire Bridge Office, Jaipur, Rajasthan 302022, India. The company commenced its business operations in May 2018.

Agarwal Group is a more than 25-year-old Group which as a group was founded in the year 1997, when the group's chairman and director Shri Uma Shankar Agarwal and Shri Mahesh Kumar Agarwal moved to Jaipur. They worked diligently in the post-independence era to establish a glass trading business in Jaipur. Our company was listed on the NSE-SME exchange platform on 23rd February, 2023.

Significant Accounting Policies

The significant accounting policies applied by the Company in the preparation of its Financial Statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these Financial Statements.

a. Statement of Compliance

The financial statements have been prepared in accordance with the relevant presentation requirements of the Companies Act, 2013.

b. (1)Basis for Preparation & Presentation

The Financial Statements have been prepared under the historical cost convention on accrual basis with the exception of certain assets and liabilities carried at fair values. The Assets and Liabilities have been classified as Current/Non- Current as per the Company's normal operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in Cash and Cash Equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of Current/Non- Current classification of Assets and Liabilities. The statement of Cash Flows has been prepared under indirect method.

All amounts disclosed in the Financial Statements and accompanying notes have been rounded off to the nearest lakhs as per the requirement of Schedule III of the Companies Act, 2013, unless otherwise stated.

(2)Use of Estimates and Critical Accounting Judgements

The preparation of Financial Statements is in conformity with Generally Accepted Accounting Principles which requires management to make estimates and assumptions. The estimates and the associated assumptions

are based on historical experience, opinions of experts and other factors that are considered to be relevant.

c. Property, Plant and Equipment-Tangible Assets

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net changes on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred. An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from continued use of asset.

Depreciation Method and Estimated Useful Life

Depreciation is calculated using the straight-line method on a pro-rata basis from the date on which each asset is put to use to allocate their cost, net of their residual values, over their estimated useful lives. The estimated useful lives are those prescribed under Schedule II to the Companies Act, 2013.

d. Intangible Assets and Amortisation

Intangible assets are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated amortisation and impairment loss, if any. The cost comprises of purchase price, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use.

e. Impairment

Tangible and Intangible Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. Non financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

f. Leases

Company as a lessor:

The Company classifies the leases as either a finance lease or an operating lease depending on whether the risks and rewards incidental to ownership of an underlying asset are transferred and recognises finance income over the lease term.

Company as a lessee:

In accordance with Ind AS-116, the Company assesses whether a contract contains a lease ,at inception of a contract. At the date of commencement of the lease, the Company recognises a "Right Of Use" asset and a corresponding liability for all lease arrangements in which it is the lessee, except for leases with a term of twelve months or less (short term leases) and low value leases. For these short term and low value leases, the Company recognises the lease payments as an operating expense on a straight line basis over the term of the lease. The right of use assets are amortised using the straight line method from the commencement date over the shorter of lease term or useful life of right to use asset. The lease payments are discounted using the interest rate implicit in the lease or if not readily determinable using the incremental borrowing rates. Lease Liabilities are re measured with a corresponding adjustment to the related right of use asset if the Company changes its assessment of whether it will exercise an extension or termination option.

g. Financial Instruments

Financial Assets and Financial Liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument or Financial Liabilities. Purchase and sale of Financial Assets are recognised using trade date accounting.

Financial Assets

Financial Assets include Trade Receivables, Advances, Security Deposits, Cash and Cash Equivalents etc. which are classified for measurement at amortised cost. Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of Financial Assets depends on such classification.

Impairment: The Company assesses at each reporting date whether a Financial Asset (or a group of Financial Assets) are tested for impairment based on available evidence or information. Expected credit losses are assessed and loss allowances recognised if the credit quality of the Financial Asset has deteriorated significantly since initial recognition.

Income Recognition: Interest income is recognised in the Statement of Profit and Loss using the effective interest method.

AGARWAL FLOAT GLASS INDIA LIMITED

Formerly known as Agarwal Float Glass India Private Limited)

Financial Liabilities:

Borrowings, Trade Payables and other Financial Liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to short maturity of these instruments.

De-Recognition:

Financial Liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

h. Inventories

Inventories are valued at lower of cost and net realisable value except waste which is valued at estimated realisable value as certified by the management.

i. Revenue

Revenue is recognised when the performance obligation is satisfied by transferring promised goods or services (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes and duties collected on behalf of the Government.

j. Foreign Currency Transactions

Items included in the Financial Statements are measured using the currency of the primary economic environment in which the entity operates (the functional currency). The Standalone Ind AS Financial Statements are presented in Indian Rupee (INR) which is Company's functional and presentation currency.

k. Cash and Cash Equivalents

For the purpose of presentation in the Statement of Cash Flows, Cash and Cash Equivalents includes cash in hand, cheques/drafts in hand, demand deposits with banks, short term balances, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value. Bank overdrafts are shown within Other Financial Liabilities in the Balance Sheet and form part of Cash and Cash Equivalents in the Cash Flow Statement.

l. Income Tax

Income tax expense represents the sum of the current tax and deferred tax.

Current tax charge is based on taxable profit for the year. Taxable profit differs from profit as reported in the Statement of Profit and Loss because some items of income or expense are taxable or deductible in different years or may never be taxable or deductible. The Company's liability for current tax is calculated using Indian tax rates and laws that have been enacted by the reporting date. Current tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority. The Company periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is the tax arising from temporary differences between the carrying amounts of assets and liabilities in the Balance Sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised, based on tax rates that have been enacted or substantively enacted by the reporting date.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised

in Other Comprehensive Income or directly in equity. In this case the tax is also recognised in Other Comprehensive Income or directly in equity respectively.

m. Retirement Benefits:

Currently there is no employee in the company who has been working for more than 5 years in continuous service, hence there is no provision required for gratuity.

n. Earnings Per Share

Basic earnings per Share is calculated by dividing the profit for the period attributable to the owners of Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding without a corresponding change in resources. For the purposes of calculating diluted earnings per share the profit for the period attributable to the owners of the Company and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

o. Exceptional Items

When items of income or expense are of such nature, size and incidence that their disclosure is necessary to explain the performance of the Company for the year, the Company makes a disclosure of the nature and amount of such items separately under the head "Exceptional Items."

p. Segment Reporting

This clause is not applicable to the company.
